

# Positivity Poem

I am confident, I am strong,  
today is my day,  
I will be successful,  
nothing will stand in my way.

I'll hold tight to my dreams,  
I'll reach for the stars,  
My wisdom and courage will guide me,  
I will go far.

There is no task  
too big or too small,  
I have what it takes  
to accomplish them all.

I am capable and willing,  
I will strive to do my best,  
I'll surround myself with ambitious, happy people  
and not worry about the rest.

I am positive and hopeful,  
the option to fail will not exist.  
With faith, family, and friends  
I have totally got this!
